Information Disclosure Statement dated October 24, 2007

Attorney Docket No. 0702-060135

The above-referenced application is the United States national phase of PCT Application No. PCT/EP2004/007304. The International Search Report (ISR) in the PCT application cites U.S. Patent No. 5,954,187 and EP 0488702 listed on Form PTO/SB/08a. A copy of the ISR is enclosed for the Examiner's convenience. It is noted that the prior art references identified in the ISR and listed on Form PTO/SB/08a are both category A or state of the art references. It is believed that pending claims 6-11, which are substantially similar to the PCT claims, are in condition for allowance.

Pursuant to 37 C.F.R. § 1.97(b)(3), no fee is believed to be due for the submission of this Information Disclosure Statement, as it is being submitted before the mailing date of a first Office Action on the merits. Nevertheless, the Commissioner for Patents is hereby authorized to charge any fees which may be required to Deposit Account No. 23-0650.

Respectfully submitted,
